

Adding People to your Loop

With Loop8, staying safer online is simple, and you can share that protection with up to seven of your favorite people at no extra cost. Whether it's family, friends, or anyone you care about, invite them into your Loop and they'll get the same powerful security you do.

How to Add Someone to Your Loop

Step 1: Open the Loop8 App on your phone.

- Unlock using Face ID or your fingerprint.

Step 2: Go to Subscription Settings

- Tap the Me tab at the bottom of the screen, or tap the Settings icon.
- Select My Subscription.

Step 3: Invite Someone

- Tap Add Someone to Your Loop (or Invite).
- Pick a contact or type in their phone number.
- They'll get a text with a link to download Loop8 and hop in.

Step 4: Have Them Register

- After they download the Loop8 app and sign up with the same phone number you used to invite them, they'll automatically join your Loop and unlock full access.

Helpful Things to Know About Your Loop

- Invitations are managed solely by you — others can't add members.
- Every account stays private: no one can see another member's passwords or stored information.
- All members enjoy the same powerful protection.
- Add or remove people at any time in **My Subscription**.

Nice work!

You and your Loop are secure, and you've just helped someone you care about protect themselves online. That's a small act with a big impact — one invite at a time.

If you have any questions or need a hand, we're here to help.
